Portable Oxygen Concentrator Loan Equipment Information Sheet

Scleroderma Victoria leases portable oxygen concentrators to members who are in need of such equipment to maintain quality of life. This is a service that can be offered through the fundraising efforts of the Committee.

Eligibility

In order to be eligible a patient must:

- Be a financial member of Scleroderma Victoria
- Receive a referral and prescription for the treatment from a medical practitioner recognised by Scleroderma Victoria
- Have the referral and prescription reviewed every 6 months

Terms and conditions

If deemed eligible the term of the lease will be 6 months. This term can be renewed or extended by agreement. The fee for hire is \$300 for the 6-month term. This can be paid either as a lump sum or in six \$50 instalments. The patient will be required to enter into a loan agreement with Scleroderma Victoria

Maintenance and repairs

The patient will be expected to maintain the equipment in working order and must contact Scleroderma Victoria immediately if there are any concerns with the equipment. Scleroderma Victoria is responsible for the provision of maintenance and servicing of the equipment. If the equipment requires servicing during the term of the agreement, Scleroderma Victoria will provide a replacement machine subject to availability.

Insurance

The patient will be responsible for taking out and maintaining insurance on the equipment for the entirety of the term.

Collection and return of the equipment

The patient is responsible for collecting and returning the equipment. In certain circumstances Scleroderma Victoria may be able to arrange for the equipment to be collected upon conclusion of the agreed term. This is only available by agreement only.

If you are interested in leasing an oxygen concentrator from Scleroderma Victoria please speak with your treating physician or contact Scleroderma Victoria on enq@sclerodermavictoria.com.au or telephone 9288 3651 (please leave a message).
